

# Rice Pudding

[Sufjan Stevens](#)

I'm taking you down  
To the placement field.  
And when I find you  
Underneath the grass, I know you  
Feel this way, you feel this way.

Because I know you,  
And I feel you,  
And I'll feed you rice pudding  
At the benefit concert.

Yeah baby, I'll feed you rice pudding.  
At the concert.

Rock-n-roll, sugar cane.
