

Finally Free

Michael Heart

She waited until he fell asleep tonight.
Packed up the kids and grabbed a few things
and snuck away in the night.
Nobody could tell her that she never tried
with all her might
to make things right.
But too many bruises and broken promises
had took a toll on her life.
And driving away she thought to herself
as she cried "I..

"I'm finally free!
I'm gonna fly to the sky.
Disappear out of sight.
It's all up to me.
And I feel so alive
and I'm gonna be alright.
I'm free!
I'm finally free!"

She knew her would try as soon as he woke
to track them down.
He'd start with the neighbours and call up the folks
and search the whole damned town.
But she knew that this time
she'd hide in a place where she'd never be found,
'cause too many years of pain and tears
were more than she could take.
And never again would she ever repeat the past mistakes.
And she said "I

"I'm finally free!
Gonna fly to the sky.
Disappear out of sight.
It's all up to me.
And I feel so alive.
I'm gonna be alright.
I'm FREE!

Iâ€™m finally FREE!â€•

â€œI can see the silver lining.

Itâ€™s waiting for me.

And the clouds are right behind me.

And Iâ€™m freeâ€!

FREE!

Iâ€™M FINALLY FREE!â€•

â€œIâ€™M FINALLY FREE!

Gonna fly to the sky.

Disappear out of sight.

Itâ€™s all up to me.

And I feel so alive.

Iâ€™m gonna be alright

â€˜CAUSE Iâ€™M FREE!"

"Thereâ€™s no turning back

â€˜CAUSE Iâ€™M FREE!

And I feel so alive.

Iâ€™m gonna be alright.

Iâ€™m freeâ€!

Iâ€™m finally FREE!â€•

She waited until he fell asleep.

Tonight.
