# Eat The Gun

## Motorhead

Eat the gun, eat the gun
Eat the gun, eat the gun
Join the army, join the army
Eat the gun, eat the gun
Die in awful pain, die in awful pain
Die in awful pain, die in awful pain
Die in awful pain, die in awful pain
Awful pain
Shoot them all, shoot them all
Shoot them all, shoot them all
Cut their heads off, cut their heads off
Shoot them all, shoot them all
Everything that moves, everything that moves
Everything that moves, everything that moves
Everything that moves, everything that moves
That moves
Big 'n' tough, big 'n' tough
Big 'n' tough, big 'n' tough
Not a sissy, not a sissy
Strong 'n' rough, strong 'n' rough
Your gun is so big, your gun is so big
(Oh wow)
Your gun is so big, your gun is so big
(Oh wow)
Your gun is so big, your gun is so big
(Oh wow)
(Oh wow)
