

# Ghoul Of My Dreams

Wednesday 13

She's probably from the casket  
I really wanna ask her  
If shell be my one and only  
I'm tired of being lonley  
I know this sounds sick  
I gotta bite you on the neck  
And make you mine You couldnt get me higher  
My little vampire  
Your beautiful and spooky  
You don't mind that I'm kooky  
I wanna drive a steak  
Right into your heart  
And make you mine  
(All mine) I fell in love with  
The ghoul of my dreams  
She's the only one that makes me scream  
X2 Shell be my little spider  
I'll sit right beside her  
She doesn't think it's scarry  
And then I'm usually burried  
I know this sounds sick  
I gotta bite you on the neck  
And make you mine And when your next to me  
I don't need no Halloween  
Cause you can make me scream  
Like no other human being  
Now I wanna drive a steak  
Right into your heart  
And make you mine  
(All mine) I fell in love with  
The ghoul of my dreams  
She's the only one that makes me scream  
X2
