It's A Shame

Elefant

You were crazy all night long, my beliefs
You were right when you were wrong, my beliefs
If it's all lies, then why do I try?
Give me something to hold on to, I'm falling
It's a shame we can't always win
It's a shame we can't start again
It's a shame we can't always win
It's a shame
I'm sorry for asking but what were you thinking?
I'm sorry for staring but can you forgive me?
Another late night, why do I try?
Give me something to hold on to, I'm falling
It's a shame we can't always win
It's a shame we can't start again
It's a shame we can't always win

It's a shame
I will tell you what I really know
I will shout it to the skies
It's the same old song that you've heard before
It's the same sad look in your eyes
Don't ask why, let's just try one more time
It's a shame we can't always win
It's a shame we can't start again
It's a shame we can't always win
It's a game we can't start again
It's a shame, it's a shame, it's a shame
It's a shame, it's a shame, it's a shame
It's a shame, it's a shame, it's a shame
It's a shame, it's a shame
