

Every Time I Look At You

Il Divo

I used to think that I was strong
I realize now I was wrong
Cause every time I see your face
My mind becomes an empty space
And with you lying next to me
Feels like I can hardly breathe I close my eyes
The moment I surrender to you
Let love be blind
Innocent and tenderly true
So lead me through tonight
But please turn out the light
Cause I'm lost every time I look at you And in the morning when you go
Wake me gently so I'll know
That loving you was not a dream
And whisper softly what it means to be with me
Then every moment we're apart
Will be a lifetime to my heart I close my eyes
The moment I surrender to you
Let love be blind
Innocent and tenderly true
So lead me through tonight
But please, please turn out the light
Cause I'm lost every time I look at you
Lost every time I look at You
