Starflyer 59

I took photographs down in Mexico
I wasn't here for laughs
Wasn't here for love
I wasn't here to sing
Wasn't here for a scene
I need the photographs down in MexicoI'm the only one that loses
'Cause I can't get time
Now I'm the only one that loses
'Cause I can't make time
We took my father's Jeep and we drove the coast
When we shut the doors
We loved the most
'Cause I was 23
You meant the world to me
We took my father's Jeep and we drove the coastI'm the only one that loses
'Cause I can't get time
Now I'm the only one that loses
'Cause I can't make timeIt's just the the little things
They test you on
It's always been the little things
That go so wrong
It's just the little things
That break my heart
It's always been the little things
From the very start
I'm the only one that loses
'Cause I can't get time
Now I'm the only one that loses
'Cause I can't make time
Now I'm the only one that loses
'Cause I can't make time
Now I'm the only one that loses
'Cause I can't make timeIt's just the the little things
They test you on
It's always been the little things
That go so wrong
It's just the little things
That break my heart
It's always been the little things

From the very start
