

Tainted

American Supermodel

Verse

I can't believe this needs needs correction
Stop to think I should have known
My voice said we need direction
I love you girl but now you knowChorus
I'm tainted, unworthy
You must really hate me
And I think I'm going down down down
(repeat)

Verse

I feel like I'm against the pavement
I stop to think I should have knownBut your voice had a new arrangement
You loved me once and now you don'tChorus (x2)

Bridge

The love we shared, just made me scared, until you thought it all away
And your promises we never kept, will die, will die with me todaySoloChorus (x2)
