

Teardrops on My Guitar (Acoustic Version)

Taylor Swift

Drew looks at me
I fake a smile so he won't see
What I want, what I need
And everything that we should be
I'll bet she's beautiful
That girl he talks about
And she's got everything that I've had to live without
Drew talks to me
I laugh 'cause it's so damn funny
That I can't even see
Anyone when he's with me
He says he's so in love
He's finally got it right
I wonder if he knows he's all I think about at night

He's the reason for the teardrops on my guitar
The only thing that keeps me wishing on a wishing star
He's the song in the car I keep singing, don't know why I do

Drew walks by me
Can he tell that I can't breathe?
And there he goes so perfectly
The kind of flawless I wish I could be
She better hold him tight
Give him all her love
Look in those beautiful eyes
And know she's lucky 'cause

He's the reason for the teardrops on my guitar
The only thing that keeps me wishing on a wishing star
He's the song in the car I keep singing, don't know why I do

So I'll drive home alone
As I turn out the light
I'll put his picture down
And maybe get some sleep tonight

He's the reason for the teardrops on my guitar
The only one who's got enough of me to break my heart

He's the song in the car I keep singing, don't know why I do

He's the time taken up
But there's never enough
And he's all the I need to fall into

Drew looks at me
I fake a smile so he won't see
