

# Closer to God

## Television Personalities

It's the ballad of a Catholic boy  
Full of Catholic hopes and joys  
Genuflect and say your prayers  
Confess your sins and God will share  
Bastard Grammar School  
God fearing  
Discipline and saving beatings  
But no one knows where we're going to  
No one knows where we've been  
No one taught anything at school  
As a child made confirmation  
Choose your Saint  
Then choose your station  
Hurt the child  
Then shove it love  
It's just violence in a velvet glove  
Sunday, Church,  
Confess to Father, repent your sins  
Confess to Father  
Four Hail Mary's, be forgiven  
There's something inside, I'm driven  
Just when I thought I'd lost my way  
I'm feeling closer now  
I'm getting closer now  
Closer to God
