

Show You Love

Steve Oliver

Some say it does not exist
I don't believe its true
You just have to take a risk
Find out what's good for you

If you want to hear a million stories
You can read through all my chapters
Right now and ever after
If you ever have a single worry
All you have to do is take my hand

I can show you,
Show you love
Just let me show you,
Show you love
Come on, let me show you love

There are many skeptics
I find this to be true
Don't you know that love is getting so rare
It's made a non-believer out of you
