

# Right Above It (feat. Drake)

## Lil Wayne

(Kane is in the building nigga)Now tell me how you love it, you know you at the top  
When only heaven's right above it, we on, 'cause we onWho else really tryna fuck with Hollywood Co.?

I'm with Marley G, bro

Flying Hollygrove chicks to my Hollywood shows  
And I wanna tell you something that you prolly should know  
This that Slumdog Millionaire Bollywood flow  
And uh, my real friends never hearin' from me  
Fake friends write the wrong answers on the mirror for me  
That's why I pick and choose, I don't get shit confused  
I got a small circle, I'm not with different crews  
We walk the same path, but got on different shoes  
Live in the same building, but we got different views  
I got a couple cars I never get to use  
Don't like my women single, I like my chicks in twos  
And these days all the girls is down to roll  
I hit the strip club and all them bitches find a pole  
Plus I been sippin', so this shit is movin' kinda slow  
Just tell my girl to tell her friend that it's time to goNow tell me how you love it  
You know you at the top when only heaven's right above it  
We on, it's Young Money, motherfucker  
If you ain't runnin' wit' it, run from it, motherfucker, all right  
Now somebody show some money in this bitch  
And I got my B's with me like some honey in this bitch, ya dig?  
I got my gun in my boo purse  
And I don't bust back, because I shoot firstMeet me on the fresh train  
Yes, I'm in the building, you just on the list of guest names  
And all of my riders do not give a fuck, X-Games  
Guns turn you boys into pussies, sex change  
And I smoke 'til I got chest pains  
And you niggas know I rep my gang like Jesse James  
Women are possessive, and they wanna possess Wayne  
I been fly so long I fell asleep on the fuckin' plane  
Skinny pants and some Vans  
Call me Triple-A, get my advance in advance, amen  
As the world spin and dance in my hands  
Life is a beach, I'm just playin' in the sand  
Uh, wake up and smell the pussy  
You niggas can't see me, but never overlook me  
I'm on the paper trail, it ain't no tellin' where it took me

Yeah, and I ain't a killa, but don't push meN, now tell me how you love it  
You know you at the top when only heaven's right above it  
We on, it's Young Money, motherfucker  
If you ain't runnin' wit' it, run from it, motherfucker, all right  
Now somebody show some money in this bitch  
And I got my bees with me like some honey in this bitch, ya dig?  
I got my gun in my boo purse  
And I don't bust back, because I shoot firstUh, how do he say what's never said?  
Beautiful black woman,  
I bet that bitch look better red  
Limpin' off tour  
'cause I made more off my second leg  
Ma'fuckin' Birdman Junior, eleventh grade  
Ball on automatic start  
I could hand it to Drake or do a quarterback draw  
Wildcat offense, check the paw prints  
We in the building, you niggas in apartments  
No-now, c'mon, be my blood donor  
Flo' so nice, you ain't gotta put a rug on her  
Do it big, and let the small fall under that  
Damn, where you stumbled at?  
From where they make gumbo at  
Kane got the fuckin' beat jumpin' like a jumping jack  
But you know me, I get on this bitch and have a heart attack  
Hip-hop, I'm the heart of that, nigga, nothin' short of that  
President Carter, Young Money democratNow tell me how you love it  
You know you at the top when only heaven's right above it  
We on, it's Young Money, motherfucker  
If you ain't runnin' wit' it, run from it, motherfucker, all right  
Now somebody show some money in this bitch  
And I got my B's with me like some honey in this bitch, ya dig? (Soo woo!)  
I got my gun in my boo purse  
And I don't bust back, because I shoot first(We on, young young mula baby)
