

Intro (They Call Me Lil Rob)

Lil Rob

Some of that feel good kind of music
If you dont know my name, they call me Lil Rob Well my name's Roberto Flores
But my homeboys call me Lil Rob
(Yeah thats right they call me Lil Rob)
Now my name's Roberto Flores
But my homeboys call me Lil Rob
(They've called me Lil Rob since ,shit, I can remember) I'm known for dropin rides and rollas
And lowridin till the wheels fall off
(Yeah I can drop some rhymes) Now some may say I'm bad
(I'm pretty bad)
And some may say I'm cool
(I'm pretty damn cool)
Either way, It's all ok
I do this all for you
