

Feel This Moment

Pitbull

Pitbull:

Ask for money, and get it viced

Ask for advice, get money twice

I'm from the Dirty, but that chico nice

Ya'll call it a moment, I call it lifeChristina Aguilera:

One day when my light is glowing

I'll be in my castle golden

But until the gates are open

I just wanna feel this moment (ohh)

I just wanna feel this moment (ohh)

I just wanna feel this momentPitbull:

Mr Worldwide

Christina Aguilera

Oye mamita, come on, dale,

que la cosa esta rica(I wanna feel this moment)[Parte instrumental](Feel this moment...)Reporting live, from the

tallest building in Tokyo

Long ways from the hard ways

Bill sos, and oh yeas

They count it always, 305 all day

Now baby we can party, oh baby we can party

She read books, especially about red rooms and tight ups

I got it hooked,

cause she seen me in a suit with the red ta-ta up

Meet and greet, nice to meet ya, but time is money

Only difference is I own it,

now let's stop time and enjoy this momentChristina Aguilera:

One day when the light is glowingI'll be in my castle golden

But until the gates are open

I just wanna feel this moment (ohh)

I just wanna feel this moment (ohh)

I just wanna feel this moment[Parte instrumental](Feel this moment...)Pitbull:

I see the future but live for the moment, make sense don't it

Now make dollars, I mean billions, im a genius, I mean brilliant

This street is what scoot em

And made em slicker, to slick with the ruler

I've lost a lot, and learned a lot

But i'm still undefeated like Zula

I'm far from cheap, I break down companies with alll my peeps

Baby we can travel the world

And I can give you all you can see
Time is money
Only difference is I own it, like a stop watch,
let's stop time and enjoy this moment Christina Aguilera:
One day when my light is glowing
I'll be in my castle golden
But until the gates are open
I just wanna feel this moment (ohh)
I just wanna feel this moment (ohh)
I just wanna feel this moment [Parte instrumental] Come one, feel this moment... Oh, I just wanna feel this
moment
Oh, I just wanna feel this moment.
