

# Kimono Girl

[Christina Aguilera](#)

[Verse] Let me drop some knowledge on your face.

Kimono girl is a way of life  
It's a style, and I'm wearing it with grace  
Freedom, love, and sweetest dreams  
Bitch, I won the lottery in romance  
But at night, when the stars all gleam  
I could use a little dominance

[Chorus] Tell me have you seen her?

You will not believe her  
A down low freak of the week  
Kimono girl's a pleasure  
An unknown nasty treasure  
She'll make all your wishes complete.

[Bridge] You cannot disarm her

You cannot misuse her  
Love her like your life will depend  
Confuse her for your Geisha  
You'll die like Euthanasia  
Treat her well or follow the end

[Chorus] Tell me have you seen her?

You will not believe her  
A down low freak of the week  
Kimono girl's a pleasure  
An unknown nasty treasure  
She'll make all your wishes complete.
