

If You (2000 Watts Remix)

Silk

And if you're feelin' like lovin' me
And, and if you're feelin' like lovin' me, lovin' me, lovin' me
And if you're feelin' like lovin' me
And and
And if you're feelin' like lovin' me, lovin' me
And when you're feelin' like holdin' me, holdin' me
You know I'll make it right so come to me, come to me
I know you really wanna sex me
And if you're feelin' like lovin' me, lovin' me
And when you're feelin' like holdin' me, holdin' me
You know I'll make it right so come to me, come to me
I know you really wanna sex me
Girl, I been checking you, straight tryin' to feel your vibe
I can't explain it but I think you wanna let me slide
So all you gotta do, is tell me what the deal
Just let me know and I'll be there for you, keep it real
You know you want it girl, you know I want it too
So let's stop frontin' like you don't want me and I don't want you
So baby let me know if you're 'bout it 'bout it
Let me fill you of with my love and make you shout it, shout it
And if you're feelin' like lovin' me, lovin' me
And when you're feelin' like, holdin' me, holdin' me
You know I'll make it right so come to me, come to me
I know you really wanna sex me
And if you're feelin' like lovin' me, lovin' me
And when you're feelin' like holdin' me, holdin' me
You know I'll make it right so come to me, come to me
I know you really wanna sex me
So on your lonely nights when them fingers just won't do
Let me come satisfy I wanna make it right for an hour or two
So baby don't be shy 'cause I'm not judging you
But I think it's time you change your mind and let my love come through
Stop talkin' 'bout it, and girl just be about it
Girl let me in and out just trust in me girl don't you doubt it
So baby now you know that I'm 'bout it 'bout it
Let me fill you with my love I'll make you shout it, shout it
And if you're feelin' like lovin' me, lovin' me
And when you're feelin' like holdin' me, holdin' me
You know I'll make it right so come to me, come to me
