

# You Fascinate Me So

## Blossom Dearie

I have a feeling that beneath the little halo on your noble head  
There lies a thought or two the devil might be interested to know  
You're like the finish of a novel that I'll finally have to take to bed

You fascinate me so I feel like Christopher Columbus when I'm near enough to contemplate

The sweet geography descending from your eyebrow to your toe

The possibilities are more than I can possibly enumerate

That's why you fascinate me so So sermonize and preach to me

Make your sanctimonious little speech to me But oh my darling you forgive my inability to concentrate

I think I'm dealing with a powder keg that's just about to blow

Will the end result deflate me? Or will you annihilate me?

You fascinate me so So sermonize and preach to me

Make your sanctimonious little speech to me But oh my darling you forgive my inability to concentrate

I think I'm dealing with a powder keg that's just about to blow

Will the end result deflate me? Or will you annihilate me?

You aggravate me, you irritate me, you fascinate me so
