

Hey Mister Heartache

Kim Wilde

Written by kim wilde & steve byrd
Darlin' don't you know I've had enough
Wasting all my time
Darlin' put it on the line
Cos I heard you lying time and time again
Ooh and I don't want to any more
This is where our loving has to end
Darlin' now you know the score
So goodbye baby
Hey mr heartache how much can you fake
How many hearts break before you get enough
Hey mr heartache you don't give you just take
I hope for your sake you don't turn your back on love
Darlin' don't know what you're looking for
But I'm not waiting around to see
Darlin' can't take any more
I still love you but I'm gonna set you free
Ooh that's the way it's got to be
Cos I know I can't change you anyway
Darlin' there's nothing left to say
But goodbye baby
Hey mr heartache how much can you fake
How many hearts break before you get enough
Hey mr heartache you don't give you just take
I hope for your sake you don't turn your back on love
Listen to me, so listen to me
Ooh baby, baby, baby, baby, baby, baby
Cos I was stupid to believe
You could give me what I need
You use anyone you can
Yet you call yourself a man
We'll seen through your disguise
And it's all that I despise
Now you've just run out of time
Go before I change my mind
Hey mr heartache, cos I love you baby
Hey mr heartache I still love you baby
I still love you but I'm gonna set you free
Ooh that's the way it's got to be
Cos I know I can't change you anyway
Darlin' there's nothing left to say
But goodbye baby
Junior: you don't know what I'm going through
You got me wrong, oh so wrong
Think you've sown me up
But you're so wrong
I want you girl, all the time

Come on now
You don't know what I'm going through, baby
