

# Spooky Rhodes

## Laika

Advisory - the following lyrics contain explicit language:

There are things I can't explain  
Why a seashell loves the sand?  
Why tornadoes love the plains?  
Why my dreams have lost their wings?There are things I can't explain  
Why tornadoes love the plains?  
Why the city quiets at dawn?  
Why I couldn't stop my tears?
