

Needle In a Haystack

GBH

I once believed, all girls are nice,
but listen to me, take my advice. You've gotta get yourself on the right track,
'cus finding a good girl, Boy,
is like finding .. a needle in a haystack,
.. .. a needle in a haystack. Those girls are sly, slick and shy,
don't ever let them get ya with their starry eyes.
They tell that their love is true,
and then they walk all over you. You should know these things it's a natural fact. You better look before you leap,
still water sometimes turns very deep.
Feel your love is sure,
but your just their past-time lover. Know these things off the bat.
