

Punk Rawk Show

MxPx

We ain't got no place to go
Let's go to the punk rawk show
Darling take me by the hand
Gonna see a punk rawk band
There's no use in TV shows
Radio or rodeo
I wanna get into the crowd
Wanna hear it play real loud
We ain't got no place to go
So let's go to the punk rawk show
Darling take me by the hand
We're gonna see a punk rawk band
There's no use in TV shows
Radio or rodeos
I wanna get into the crowd
I wanna hear it play real loud
Loud yeah, loud
Ain't got no money to pay
We'll get in anyway
Doesn't matter I don't care
It feels good so we should share
We're going to the punk rawk show
Ain't got no money to pay
We'll get in anyway
Doesn't matter I don't care
It feels good so we should share
We're going to the punk rawk show
We ain't got no place to go
Let's go to the punk rawk show
Darling take me by the hand
We're gonna see a punk rawk band
There's no use in TV shows
Radio or rodeo
I wanna get into the crowd
Wanna hear it play real loud
Ain't got no money to pay
We'll get in anyway
Doesn't matter I don't care
It feels good so we should share
We're going to the punk rawk show
Ain't got no money to pay
We'll get in anyway
Doesn't matter I don't care
It feels good so we should share
We're going to the punk rawk show
