Modern Things

Yeah Yeah Yeahs

Did you fund the boy you meant to destroy
Did you feel him?
Did you span the world for the red-eyed girl
Did you feel her?
Well makes me swamped
Yeah, makes me sweat
did you feel her?
and maybe she cries in the middle of the night
did you feel her?
modern things don't die just stain
modern things don't die just stain
well, say you feel nice to break the ice
are you ready?
now say the word I never heard
I'm ready
well, makes me strong, yeah makes me strive
when I hear her
and maybe she cries in the middle of the night
do you feel her?
try me out, find what I'm all about
and we can make some noise
not like the other boys

modern things don't die just stain
did you find the boy you meant to destroy
did you heal him?
did you span the world for the red-eyed girl
did you heal her?
well, makes me strong, yeah makes me fight
do you heal her?
and maybe she calls in the middle of the night
do you feel her?
try me out find what I'm all about
and we can make some noise not like the other boys
and you can hold me tight
yeah, on a motorbike
and we can make some noise
yeah we can do this right
modern things

modern things
yeah, modern things
yeah, modern things
