

Tension Head (Live at the Melkweg)

Queens of the Stone Age

Every day I wake up,
Feeling this way.
I take it down town
With all the action going down
I strike a match,
Strike a match.
Work it up! I'm feeling so sick
I feel so fucking sick
On the bathroom floor
Gotta get out and get right
Hustling little girls
Cheating little boys, yeah
Gotta get out, gotta get out
Get right
Gotta get out
I gotta get out
No more
No more
No more I'm feelin' so sick
On the bathroom floor
I'm feelin' so sick
No more Yeah
