## Au Pairs

We don't torture, we're a civilized nation  
We're avoiding any confrontation  
We don't torture, we don't torture  
American hostages  
in Iran  
Heard daily on the news  
forget about Vietnam  
You can ignore the 32  
There are 32 women in Armagh jail  
political prisoners here at home  
the British state's got nothing to lose  
It's a subject better left alone -  
We don't torture  
we're a civilized nation  
We're avoiding  
any confrontation  
We don't torture  
Alleged crimes withheld information  
She gets no sanitation  
dries her shit on her cell wall  
feeling cold and sick  
She gets a couple of valium  
Now she's relaxed for the next interrogation  
naked spreadeagled on her back  
it's a better position for internal examination  
it's a better position for giving information  
An armed guard squad she gets a beating  
bleeding and wounded she's stopped eating  
has a baby gets nothing for pain they came and took  
her baby away
