

Winter Wonderland

Diana Krall

Sleigh bells ring, are you listening?
In the lane, snow is glistening
A beautiful sight we're happy tonight
Walking in a winter wonderland
Gone away is the bluebird
Here to stay is a new bird
He sings a love song as we go along
Walking in a winter wonderland
In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say, "Are you married?"
We'll say, "No man
But you can do the job
When you're in town"
Later on, we'll conspire
As we dream by the fire
To face unafraid the plans that we've made
Walking in a winter wonderland
In the meadow we can build a snowman
And pretend that he's a circus clown
We'll have lots of fun with mister snowman
Until the other kid is knocking him down
When it snows, ain't it thrilling
Though your nose gets a chilling
We'll frolic and play, the Canadian way
Walking in a winter wonder
Walking in a winter wonderland
Walking in a winter wonderland
