

# Warrior (Acoustic Version)

Nina Sublatti

Fighter  
Oximated  
World gonna get up and see  
I'm a warrior  
isolated  
World gonna listen to me  
Violence  
Set the Free  
Wings are gonna spread up  
Still a fighter  
isolated  
World gonna get up and see  
woohoo  
I'm warrior  
still stucked in my mind  
I've been in danger for too long  
No no no  
woohoo  
I'm warrior  
still stucked in my mind  
I've been in danger for too long  
No  
Not a shabby  
Or a money maker  
Worlds gonna light up in peace  
Not in shadows  
Bright a little  
Not your fault you're just gonna breathe  
Violence  
Break the free  
Wings are gonna spread up  
I'm a fighter  
Oximated  
I'm gonna get up and be  
woohoo  
I'm warrior  
still stucked in my mind  
I've been in danger for too long  
No no no

woohoo  
I'm warrior  
still stucked in my mind  
I've been in danger for too long  
No
