

# Standing In For Jody

## Johnnie Taylor

I don't need nobody  
Shaking my tree  
Save all your love  
Save it just for me You kiss me but the feeling just ain't there  
No, no you're saving the real thing for Jody  
And you're using me just for a spare  
I can see through that You come running, running  
Running, running, running to me  
Each time Jody makes you cry  
Lord, have mercy You're nothing but a fool for Jody  
But I'm a bigger fool to watch the  
Tears as they fall from your eyes  
All right, now I'm gonna tell you something  
I'm tired of standing in for Jody  
(I got to keep you for myself)  
Oh, tired of standing in for Jody  
(I got to keep you for myself)  
You see, a man can't be a man  
Playing second fiddle to someone else One day, one day soon, baby  
You're gonna wake up and see  
Jody's just using you, baby  
The same doggone ways  
Using [Incomprehensible] But let me tell you something  
I'm so tired, I've had enough  
'Cause you're callin' out his name  
When we're making love Each day, I love you a little bit more  
How do you think I feel  
When Jody comes around  
And I have to go I don't want nobody  
Shaking apples in my tree  
Save all your love  
Give it all to me  
Oh, yeah, now Stop using me  
Using me, using me  
Lord, have mercy Tired of standing in for Jody  
(I got to keep you for myself)  
Oh, I'm so tired of standing in for Jody  
(I got to keep you for myself)  
A man can't be a man playing

Second fiddle to someone else  
I bet somebody's waiting out there tonight  
Watching their watch trying to see what time it is  
Jody was supposed to pick you up take you to the movie show  
Then he called, he told you it's too late  
I got another date, honey can't see you no more  
Don't you get tired  
Of waiting on Jody  
(Standing in on Jody)  
Don't you get tired  
Standing in, standing in  
And waiting for  
Tired, tired, tired  
Oh, I'm so tired  
Jody [Incomprehensible]
