# The Rat Within The Grain

## Damien Rice

This would not have happened
If I hadn't missed my plane
I've would have been there when they told you
I?m the Rat within the grain
Within this big misunderstanding now
I?m being misunderstood
I think'in someones trying to fuck with me
And set fire to my wood
I wouldn't want you to want
To be wanted by me
I wouldn't want you to worry
You'd be drowned within my sea
I only wanted to be wonderful
And wonderful is true
In truth I only really wanted
To be wanted by you
It?s a stupid situation now
Where everything goes wrong
If you can't tell if I am lying
Then you do not belong
In my bed
Go rest your head
Upon the bones of a bigger man
He can cover you with rock wool
And you can close up like a clam
I wouldn't want you to want
To be wanted by me

I wouldn't want you to worry
You'd be drowned within my sea
I only wanted to be wonderful
And wonderful is true
In truth I only really wanted
To be wanted by you
So go play with your piano
Write a mediocre song
Out the shell of mediocrity
And pretend there?s nothing wrong
I never thought you where a chicken shit

I never thought of you at all
Until you asked me to be part of it
Now you're showing me your wall
I wouldn't want you to want
To be wanted by me
I wouldn't want you to worry
You'd be drowned within my sea
I only wanted to be wonderful
And wonderful is true
In truth I only really wanted
To be wanted by you
La la la la ?????
In truth I only really wanted
To be wanted by you
