V.I.C.

Soulja Boy TellemThe dance floor silly
The ladies gon feel me
The fellas in the back
And they twistin up a phillyGet silly, get silly
Get silly, get silly
Get silly, get silly
Get silly, get silly, get sillyThe dance floor silly
The ladies gon feel me
The fellas in the back
And they twistin up a phillyThe dance floor silly

We for fantastic cuz I got a deallyCuz now Im worth a milly
Forget a rubber band cuz you cant put a rubber band around a billion
I be wildin on a island somewhere just like Gilligan
Drillin holes like a dentist at the den like villerannI ba ba ba, Im da man girlfriend
Im da reason why you wanna lose ya man girlfriend
Im calm like da sea, Im blowed like the wind
And now that Im straight Im bout to act a fool againGet silly, get silly
Get silly, get silly
Get silly, get silly
Get silly, get silly, get sillyThe dance floor silly
The ladies gon feel me
The fellas in the back
And they twistin up a phillyThe dance floor silly
The ladies gon feel me
The fellas in the back
And they twistin up a phillyMy shades too silly cuz they made by Cavalli
Jays so excited you cant find em lil buddy
Im not Nick Cannon but Im wildin out clubbin
Watchin everybody jockin while Im poppin sumthin bubblyPoppin sumthin bubbly, Im tryna do it big
Da boy from the A, Im tryna represent
Dem haters in my way, I play this game to win
Watch me take it to the ally, knock em all off like some pinsI drop drop drop, Imma sell like silly
Cuz everybody dancin and everybody feel me
With these stacks in my jeans, just like my name was Billy

While Im jockin on you haters, just like a pop-a-wheelieGet silly, get silly

Get silly, get silly

Get silly, get silly

Get silly, get silly, get sillyThe dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyThe dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyGet silly, get silly

Get silly, get silly

Get silly, get silly

Get silly, get silly, get sillyThe dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyThe dance floor silly

The ladies gon feel me

The fellas in the back

And they twistin up a phillyGet silly
