

# Dreamer (Jaylien 2010 Remix)

[Akon](#)

Maybe I'm just a dreamer  
'Cause this woman is a keeper  
Got me feeling like I need her  
Every day I'm getting weakerBaby, I'm just a dreamer  
'Cause this woman is a keeper  
Got me feeling like I need her  
Every day I'm getting weakerMaybe I'm just a dreamer  
'Cause this woman is a keeper  
Got me feeling like I need her  
Every day I'm getting weakerBaby, I'm just a dreamer  
'Cause this woman is a keeper  
Got me feeling like I need her  
Every day I'm getting weaker  
Maybe I'm just a dreamer  
'Cause this woman is a keeper  
Got me feeling like I need her  
Every day I'm getting weakerBaby, I'm just a dreamer  
'Cause this woman is a keeper  
Got me feeling like I need her  
Every day I'm getting weakerWhen you're lonely just give me a call  
My love or my homie, we can share it all  
Always been there for me, we witnessed it all  
And we plan to be till eternityMaybe I'm just a dreamer  
'Cause this woman is a keeper  
Got me feeling like I need her  
Every day I'm getting weaker  
Baby, I'm just a dreamer  
'Cause this woman is a keeper  
Got me feeling like I need her  
Every day I'm getting weaker
