This Is The World We Live In

Alcazar

Somebody's felt her hate,
He's faith is all about the certain
Too busy thinking bout the pain
To bother checking why it's hurtingSo come on make it right tonight
Gotta get in my life
Doesn't matter who you are
When you moving up with AlcazarThis is the world we live in
And these are the hands we're given
Use them and let's start trying
To make it a place worth living inThis is the world we live in
And these are the hands we're given
Use them and let's start trying
To make it a place worth living inWell you're moving up with Alcazar
(Moving, moving, moving)
Well you're moving up with Alcazar
(Moving, moving, moving)Like a circle made of flames
No telling where it started burning
Oh for every fire you contain
A new one keeps the circle turningSo come on make it right tonight
Gotta get in my life
Doesn't matter who you are
When you moving out with AlcazarThis is the world we live in
And these are the hands we're given
Use them and let's start trying
To make it a place worth living in
(Where we live in)This is the world we live in
And these are the hands we're given
Use them and let's start trying
(Let's start trying)
To make it a place worth living inMoving
Moving, moving, moving
Moving, moving
Move, move, move, move, moveDoesn't matter who you are
When you're moving up with AlcazarThis is the world we live in
And these are the hands we're given
Use them and let's start trying
To make it a place worth living inThis is the world we live in
And these are the hands we're given
Use them and let's start trying

To make it a place worth living in
(No matter how's beginning)Well you're moving up with Alcazar
(Moving, moving, moving)
Well you're moving up with Alcazar
Well you're moving up with Alcazar!
