No Rewind, No Replay

Jose Mari Chan

It's 2am we're lying in bed
Stillness all around there's not a sound except in my
Head
Of happy songs children laughing
Kids celebrating youth like it never would endNot long ago they sat on our knees
We drew cartoons, flew to the moon, trimmed Christmas
Trees
But time has flown look how they've grown
Soon she'll be you, and soon he'll be... like me...There's no rewinding no replay
The chance you lose today will be gone when it's gone
We'll never be quite as strong nor as young as this again
Make them last, make these moments last... right now.But time has flown look how they've grown
We'll never be quite as strong nor as young as this again
Make them last, make these moments last... right now.
