

Ochi Chornye (Dark Eyes)

[Sophie Milman](#)

Ochi chyornye, ochi zhguchie
Ochi strastnye i prekrasnye
Kak lyublyu ya vas, kak boyus' ya vas
Znat' uvidel vas ya ne v dobryi chasOchi chyornye, ochi plamenny
I manyat oni v strany dal'nye
Gde tsarit lyubov', gde tsarit pokoi
Gde stradan'ya nyet, gde vrazhdy zapryetOchi chyornye, ochi zhguchie
Ochi strastnye i prekrasnye
Kak lyublyu ya vas, kak boyus' ya vas
Znat' uvidel vas ya ne v dobryi chasNe vstrechal by vas, ne stradal by tak
Ya by prozhil zhizn' ulybayuchis'
Vy zgubili menya ochi chyornye
Unesli na vek moyo schast'ye
