(Intro)

I get it crackin and it's so fuckin awesome  
(awesome, awesome, awesome)(Verse)

Snobby chick in a barber coat  
She's talking loudly on the phone  
About how she's a model (Yup)  
And now she thinks she's awesome

Hung over kid from AD

Late to class daily

Runnin from his dorm, jukin' people like he's AP (let's go)

Got a emo girl who hates to teach

Hates the boys, always cheats

Make up on the eyes, lookin fried like she on the streets

Hopin to get undressed

The person with the most drinks

Probably lose that contest (let's go)(Hook)

'Cause there's a party up at my crib

Oh I get it crackin right

Bring the party back to life

And there's a party up at my crib(Verse)

Fratty dudes in bad tanks

Get the party crackin right

Might introduce to your wife

Steal her, if you actin like a bitch

Hate me, that's alright

You ain't bout the happy life  
Run a mile, you yakkin' nice

Academic pro, not a pro  
That's probation  
But twerk it like a pro

And the girl is on the soccer team  
I can tell her body's mean  
Damn she like a goalie, takin more shots than a hockey team  
First week she was probably clean  
Next week she a molly fiend  
This week she's a party queen
