

# Meridians

## Sousalves

Kiss your dreams goodbye now  
The breaking of your dawn  
You feel it in the fallout  
You're fading, now you're gone  
It's time to say goodbyes  
It's time to light your fears  
It's time to wake your heart  
It's time to say goodbyes  
It's time to light your fears  
It's time to open up  
Strange and out of love now  
The wind is blowing hard  
The brilliance is the call out  
The silence in your heart  
It's time to say goodbyes  
It's time to light your fears  
It's time to wake your heart  
It's time to say goodbyes  
It's time to light your fears  
It's time to open up  
Goodbye, goodbye  
Call out  
Are you listening?  
Break out  
Are you listening?  
It's time to say goodbyes  
It's time to light your fears  
It's time to wake your heart  
It's time to say goodbyes  
It's time to light your fears  
It's time to open up  
Goodbye, goodbye  
Goodbye, goodbye  
Goodbye  
It's time to say goodbyes  
Goodbye  
It's time to say goodbyes  
Goodbye  
It's time to say goodbyes

Goodbye  
It's time to say goodbyes
