# Who Am I

## Starboy Nathan

I know I ainâ€™t the only one that had a hard life
Fell down, got back up, hard drive
Now I just want to be me and not apologize, yeah
Iâ€™m just living my life

I made it through the rain and I remember the day
When it was said to me, change your name
Just show â€˜em who you are boy
Itâ€™s time you start actinâ€™ like a starboy

So I said, youâ€™re so right
Feels like Iâ€™ve been doing this all my life
But I know one day, Iâ€™ll see my name in lights
So when they ask a-ah a-ah a-ah
Who am I?

Iâ€™m the one whoâ€™s gonna make that breakthrough
Iâ€™m the one that shouldâ€™ve given up by now
The one who shouldnâ€™t have survived what I went through
But it made me stronger, â€˜cause now
A walking disaster
Well Iâ€™ll be a master
If I get back up
So when they ask a-ah a-ah a-ah
Who am I?

Remember that it ainâ€™t about the times that you fall down
No, itâ€™s about the times you rise again
I was down like four flat tires
I lost my way â€˜til I followed my desire then I knew
That if I just work hard, thereâ€™s nothing that I couldnâ€™t do
It was overdue, yeah

I made it through the rain and I remember the day
When it was said to me, change your name
Just show â€˜em who you are boy
Itâ€™s time you start actinâ€™ like a starboy

So I said, youâ€™re so right
Feels like Iâ€™ve been doing this for all my life

But I know one day, Iâ€™ll see my name in lights
So when they ask a-ah a-ah a-ah
Who am I?

Iâ€™m the one whoâ€™s gonna make that breakthrough
Iâ€™m the one that shouldâ€™ve given up by now
The one who shouldnâ€™t have survived what I went through
But it made me stronger, â€˜cause now
A walking disaster
Well Iâ€™ll be a master
If I get back up
So when they ask a-ah a-ah a-ah
Who am I?

Iâ€™m a success
I am a survivor
I can be the best
Ask me â€˜can I do it?â€™
I will say yes!
So when they ask a-ah a-ah a-ah
Who am I?

And I donâ€™t wanna be surviving
Iâ€™d rather be thriving
Oh and thatâ€™s when I learn to turn
A negative into a positive
If you address the haters
You give them a place to live
Iâ€™m just doing me
So when they ask a-ah a-ah a-ah
Who am I?

Iâ€™m the one whoâ€™s gonna make that breakthrough
Iâ€™m the one that shouldâ€™ve given up by now
The one who shouldnâ€™t have survived what I went through
But it made me stronger, â€˜cause now
A walking disaster
Well Iâ€™ll be a master
If I get back up
So when they ask a-ah a-ah a-ah
Who am I?

Iâ€™m a success
I am a survivor

I can be the best

Iâ€™m a success
I am a survivor
I can be the best

Iâ€™m a success
I am a survivor
I can be the best

Ask me â€˜can I do it?â€™
I will say yes!
So when they ask a-ah a-ah a-ah
Who am I?
