# I Rule The Ruins

## Warlock

There's a tattooed symbol underneath my sleeve
An iron glove over a hand of steel
You can't touch me
Don't touch me
All for one and one for me
Listen well and I'll set you free
You can trust me
For eternity
No promise
Is honest
In a world of change
I rule the ruins
With passion and pain
I rule the ruins
Sinner or saint
Fortune or fate
Alive and well in this livin' hell
I survived it all, now it's time to tell
Can you hear me?
Do you hear me?
Once a tattered soul on bended knees
With one hand to God, I felt the devil's breeze
I begged help me
Won't you rescue me?

One promise
Dishonest
And everything will change
I rule the ruins
With passion and pain
I rule the ruins
Sinner or saint
Fortune or fate
There's a tattooed symbol underneath my sleeve
Iron glove over a hand of steel
I rule the ruins
I rule the ruins
I rule the ruins
With passion and pain

I rule the ruins
Sinner and saint
I rule the ruins
I rule the ruins
I rule the ruins
I rule the ruins
I rule the ruins
I rule the ruins
