

# One Desire

## NLC Worship

In my weakness you carried me  
took my rebel heart, made it clean  
even when I stray, even when I fall  
Youâ€™re faithful still

Youâ€™re my shelter, my Prince of Peace  
my Beloved, You shared my grief  
mighty King of Kings, You left heaven's throne  
to dwell with me

Yourâ€™s is the love of my heart, Lord Jesus  
desperate, I pour out my life  
to gaze on your beauty and worth forever  
Youâ€™re my one desire

In Your mercy, You came for me  
poured Your life out on Calvary  
lifted on the cross, death was buried deep  
in Perfect Love

Youâ€™re my triumph, my victory  
my Salvation and Risen King  
conquering the grave, breaking every chain  
Youâ€™ve set me free

Jesus Christ  
above all, above all  
lifted High  
above all, above all
