Bennie and the Jets

Steve Grand

Hey kids, shake it loose together
The spotlight's hitting something
That's been known to change the weather
We'll kill the fatted calf tonight
So stick around
You're gonna hear electric music
Solid walls of soundSay, Candy and Ronnie, have you seen them yet
But they're so spaced out, Bennie and the Jets
Oh but they're weird and they're wonderful
Oh Bennie she's really keen
She's got electric boots a mohair suit
You know I read it in a magazine
Bennie and the JetsHey kids, plug into the faithless
Maybe they're blinded
But Bennie makes them ageless
We shall survive, let us take ourselves along
Where we fight our parents out in the streets
To find who's right and who's wrong
