Always

Irving Berlin

Everything went wrong
And the whole day long
I'd feel so blue
For the longest whileI'd forget to smile then I met you
Now that my blue days have passed
Now that I've found you at lastI'll be loving you always
With a love that's true always
When the things you've planned
Need a helping hand
I will understand alwaysAlwaysDays may not be fair always
That's when I'll be there always
Not for just an hour
Not for just a day
Not for just a year
But alwaysI'll be loving you, oh always
With a love that's true always
When the things you've planned
Need a helping hand
I will understand alwaysAlwaysDays may not be fair always
That's when I'll be there always
Not for just an hour
Not for just a day
Not for just a year
But alwaysNot for just an hour
Not for just a day
Not for just a year
But always
