

Human Space Volt

ZoÃ©

I don't wanna live underground
I just wanna make it home tonight
No one can see her and no one can find her
She rides a paper planeThe television is their drug
They gave their eyes to the reich
No one can see her and no one could find her
She was a junkie, an alpha monkey
An electronic nebula somewhere in the quantum landHuman space volt, holy water
Need some microwaves for redemption
Need some microwaves for redemptionNo one can see her and no one could find her
She was a junkie, an alpha monkey
An electronic nebula somewhere in the quantum land
