LINKIN PARK

Yo, yo, forfeit the game before somebody else
Takes you out of the frame, puts your name to shame
Cover up your face, you cant run the race
The pace is too fast, you just wont lastYou love the way I look at you
While taking pleasure in the awful things you put me through

You take away if I give in

My life, my pride is brokenYou like to think youre never wrong

(You like to think youre never wrong)

You have to act like youre someone
(You have to act like youre someone)You want someone to hurt like you

(You want someone to hurt like you)

You want to share what youve been through

(You live what youve learned)You love the things I say Ill do

The way Ill hurt myself again just to get back at you

You take away when I give in

My life, my pride is brokenYou like to think youre never wrong

(You like to think youre never wrong)

You have to act like youre someone

(You have to act like youre someone)You want someone to hurt like you (You want someone to hurt like you)

You want to share what you've been through

You live what youve learnedYo, yo, forfeit the game before somebody else

Takes you out of the frame, puts your name to shame

Cover up your face, you cant run the race

The pace is too fast, you just wont lastForfeit the game before somebody else Takes you out of the frame, puts your name to shame

(Frame)

Cover up your face, you cant run the race (You)

The pace is too fast, you just wont lastYou like to think youre never wrong

(You like to think youre never wrong)

You have to act like youre someone

(You have to act like youre someone)You want someone to hurt like you (You want someone to hurt like you)

You want to share what youve been throughYou like to think youre never wrong

(You like to think youre never wrong)

You have to act like youre someone

(You have to act like youre someone)You want someone to hurt like you (You want someone to hurt like you)

You want to share what youve been through You live what youve learned
