Confessions of a Fool

ABC

Confessions Of A FoolI'll admit I'm a stranger to perfection
Wait a while now hear my confession
The relic of romance
In every wasted second chance
Is heartache really your professionSitting here in a room like this
Just wasn't that high on my wish list
All my pride crashed up in a paper cup
Ran out of chances when I ran out of luck
Run to discover
Run to uncover
The confessions of a fool
Fool Fool Fool Fool Fool
Hey jealous lover
Run to discover
The confession of a fool
Fool Fool Fool Fool Fool
It only goes to show
What fool one man can be
Make no mistake that man is meKept my mouth shut
When I should've spoken up
Talked too much
When I should've stayed silent
Acted like a fool, acting like a tyrant
Should've stayed serene
Instead of getting violent
Run to discover
Run to uncover
The confessions of a fool
Fool Fool Fool Fool Fool
Hey jealous lover
Run to discover
The confession of a fool
Fool Fool Fool Fool Fool
It only goes to show
What fool one man can be
Make no mistake that man is meAll my ego games
And all my machinations
All those crazy ideas
Way above my station

And all those stupid
Pseudo secret revelations
Pile em up and let em burnRun to discover
Run to uncover
The confessions of a fool
Fool Fool Fool Fool Fool
Hey jealous lover
Run to discover
The confession of a fool
Fool Fool Fool Fool Fool
It only goes to show
What fool one man can be
Make no mistake that man is meFool Fool Fool Fool Fool
