

# Story of a Girl

## Nine Days

This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looked so sad in photographs  
I absolutely love her, when she smiles  
How many days in the year  
She woke up with hope, but she only found tears  
And I can be so insincere  
Making the promises never for real  
As long as she stands there waiting  
Wearing the holes in the soles of her shoes  
How many days disappear  
You look in the mirror so how do you choose  
Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looked so sad in photographs  
I absolutely love her, when she smiles  
How many lovers would stay  
Just to put up with this shit day after day  
How do we wind up this way  
Watchin' the mouths for the words I would say  
As long as we stand here waiting  
Wearing the clothes of the soles I would choose  
How do we get there today  
If we're walkin' to far from the price of the shoes  
Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looked so sad and lonely there  
I absolutely love her, when she smiles  
Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
This is the story of a girl  
Who's pretty face she hid from the world  
And while she looked so sad and lonely there  
I absolutely love her  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looked so sad in photographs

I absolutely love her, when she smiles, when she smiles
