Deliverance

Brian Tyler

do you remember how it felt like?
I still remember how the days that end, the weeks and months
we were together for so long
I haven't noticed, that we're falling down too fastIf I could take it all back
I still want you by my side.
If only I could bring you back to me
If I could go back in time
promise we won't say goodbye
I never really moved on,
No, not in time...I wanna go back to the way we used to be
I wanna feel your skin, your lips so close to me
I wanna go back when I called you mine all the time
Every smile and every moment
If only I have (If only I have) a time machine.
I need you like the air I breathe
(you make me feel alive)
You're the best part of my everyday (my every night)
If only I could travel back in time
I'd take it all back and I'll turn it all aroundIf I could take it all back
I still want you by my side.
If only I could bring you back to me
If I could go back in time
promise we won't say goodbye
I never really moved on,
No, not in time...I wanna go back to the way we used to be
I wanna feel your skin, your lips so close to me
I wanna go back when I called you mine all the time
Every smile and every moment
If only I have (If only I have) a time machine.
If I could go back in time, I'd make us so much better
If I could hear and if I could see,
If I could hold on to your hands
once againI wanna go back to the way we used to be
I wanna feel your skin, your lips so close to me
I wanna go back when I called you mine all the time
Every smile and every moment
If only I have (If only I have) a time machine.
If only I have a time machine.
