

Losing Lisa

[Ben Folds](#)

Advisory - the following lyrics contain explicit language:

The lights are off again, she took me by surprise
She's so sensitive, an' shit just happens sometimes
She's my everything, she's my best friend and more
We don't do anything, we didn't do the dayBefore you go, you oughta know
That I didn't mean to hurt you, I just wanted you to knowBlack tears are falling down her face and I am wrong
Black tears are falling and she won't say what I've done
She's sitting here beside me, then she is gone
Black tears are falling, fallingRemember long ago, together laughing, loving
Oh, so long ago, when we were buying something
Life was simple then but she's not happy now
And I don't feel anything, her lips are movingI am mesmerized by tiny lies
I'm watching as the shapes are drawing slowly from her eyesBlack tears are falling down her face and I am
wrong
Black tears are falling and she won't say what I've done
She's sitting here beside me, then she is gone
Black tears are falling, falling, black tears are falling, fallingLosing Lisa, losing Lisa, losing Lisa
And there's nothing I can doBlack tears are falling, falling, oh oh
Black tears are falling, falling, oh oh
Black tears are falling, falling, oh oh
Black tears are falling, falling, oh oh
