

Five Minutes Alone

Baitercell

i see you had your mind all made up you group of
pitiful liars. before i woke to face the day, your master
plan transpired. -something told me- this job had more to
meet the eye. my song is not believed? my words some-
what deceiving? now i'm unwhole. you've waged a war of nerves
but you can't crush the kingdom can't be what your idols are. can't leave the scar.
you cry for compensation. i ask you please just give us...5 minutes alone i read your eyes, your mind was made
up. you took me for
a fool. you used complexion of my skin for a counter
rascist tool. -you can't burn me- i've spilled my guts out
in the past. taken advantage of because you know where i've come [from]. my past.
you've waged a war of nerves
but you can't crush the kingdom can't be what your idols are. can't leave the scar.
I bury your compensation. i ask you please just give us...5 minutes alone
