Hollywood Kids

The Thrills

Well they're sure keen on dancin'
Those Hollywood kids
Those Hollywood kids got it made
When they act, big doors open
Those Hollywood kids
Those Hollywood kids got it made
So let's party, Dustin Hoffman
Those Hollywood kids
Those Hollywood kids got it made
Oh how the sun sets on my Boulevard

But leaves quite a shadow to fillOh how the sun sets on my Boulevard But leaves such a shadow to fillOh the death of a fast lifeThose Hollywood stars

> Those Hollywood stars got to pay That's some will you've been drinkin' Those Hollywood stars

Those Hollywood stars got to payOh how the sun sets on my Boulevard
But leaves quite a shadow to fillOh how the sun sets on my Boulevard
But leaves such a shadow to fillSo look closer, do you still think that
Those Hollywood kids
Those Hollywood kids got it made
