i
i dont know
this is everything i wasn't told
and the past
is all gone
so fly like a bird

Verse 1:Milmoe

im like God i see the smallest bird fall and i care
im sadly dazin off im stuck
in a perminent stare
but well aware of what is really
goin on
im stayin strong to my people
cause thats where i belong
from kingdom come i will be done
on earth as it is in heavan
i feel this need to lead
my breathren
since seven
or eleven
maybe twelve or thirteen
or somewhere in between
one and twenty three it seems
like i have found a way to walk
and talk
my way through it
like paths
that are congruent
to ones
that i have ruined
and now
i found i finally find a secret hidden deep in my soul

im never lettin go
its only goin outta control

Hook:

i
i dont know
this is everything i wasn't told
and the past
is all gone
so fly like a bird

vERSE 2:Milmoe

fly like a bird
high in the ksy ill never ask why
find out like a nerd
see i sit on the curb and i fantasize
than i look to the skies
open up your eyes
see we symbolize
like a high hat
i tap
rapidly
clean retain and regulate like a kidney
flush all the fake phony fluid
wont be ruined
wond be knocked down roll with the punch
gotta meal
out the deal
and im real
eat em up for lunch
and i wont take no for an answer
gotta advance ya
enhance your site
do whats right
in the middle of the night im the flame thats burnin
hooks around
keep on turning

Hook:

i
i dont know
this is everything i wasn't told

and the past
is all gone
so fly like a bird

Verse 3:Milmoe

dont blame the way we're livin
its just the things we're given
amazingly they cam to see
if we have past and rison
from cradles to the grave
behave the way we were raised
praised if we went out moved on
slained if we remained at home
know the streets like the back of our hands
stackin paper gotta stick to the plan
be a man
learn how to stand up on your two feet
dont be moved from your seats
stand tall
gotta brawl if your tested
let them know how you feel if they interested
leave them breathless
and they diein for air
im in the sky you can find me there

Hook:

i
i dont know
this is everything i wasn't told
and the past
is all gone
so fly like a bird
