

We Got The Noise

Donots

You ready? One two three four!the kids, the sound, the passion
we got our hopes, we have our say
no rules, no fakes, no fashion anywaythe friends, the fun, the meaning
we're gonna have it our own way, oh-oh
the sweat, the blood, the feeling
we came here to playcause we got the noiseWhoooooaaaaaa whoooooaaaaaaa
we got the noise so here we go
Whoooooaaaaaa whoooooaaaaaaa
this is our voice, this is our show
Whoooooaaaaaa whoooooaaaaaaa
all you boys, all you girls, put it on, turn it up
Whoooooaaaaaa whoooooaaaaaaa
we got the noise and we don't stopthe bored, the scarred, the broken
together we will take a stand
the life, the choice, the moment's in our handthe time (the time!), the place (the place!)
the message that we try to send, oh-oh
create (create!), take action, make your demands
make your demands nowCause we got the noiseWhoooooaaaaaa whoooooaaaaaaa
we got the noise so here we go
Whoooooaaaaaa whoooooaaaaaaa
this is our voice, this is our show
Whoooooaaaaaa whoooooaaaaaaa
all you boys, all you girls, put it on, turn it up
Whoooooaaaaaa whoooooaaaaaaa
we got the noise, c'mon let's gowe got the noise (whoooooaaaaaaa)
we got the noise (we got it, we got it)
we got the noise (whoooooaaaaaaa)
we got the noise and we don'tlet our friends down
rest in silence
we amplify and get aroundcause we got the noiseWhoooooaaaaaa whoooooaaaaaaa
we got the noise so here we go
Whoooooaaaaaa whoooooaaaaaaa
